

WE BUILD STRONGER COMMUNITIES ON A WORLDWIDE SCALE

EDUCATION, FINANCIAL STABILITY and HEALTH are the building blocks for a better life and a stronger community.

When we put all three pieces together, we create the foundation for a world full of opportunity. For everyone.

United Way focuses on childhood success, youth success, economic mobility and access to health.

As the largest privately-funded nonprofit in the world, we raise more than \$5 billion and impact **millions of lives every year**.

Each of the 1,800 United Ways addresses the particular challenges and aspirations of the community it serves.

Our worldwide reach enables us to lift up local solutions that produce the best results and expand them to hundreds of other communities.

WE EMPOWER COMMUNITIES TO ACCOMPLISH MORE TOGETHER

For more than 125 years, United Way has earned a reputation as a leading voice in the NGO sector, and a catalyst for partnerships between business leaders, schools, health agencies, faith-based groups, governments and other NGOs.

United Way works with 70,000 corporate partners worldwide, including more than 280 Fortune 500 companies.

Together, we affect change on a larger scale than any single organization can accomplish alone.

United Way is engaged in nearly **1,800 communities across more than 40 countries and territories worldwide.**

We create lasting change that benefits everyone.
